

Company Description

Pursuit Advocacy is a boutique Pennsylvania state lobbying firm that represents Fortune 500 corporations, large and small businesses, higher education, coalitions, trade associations and other non-profits too. While we are a relatively new and small firm in Harrisburg, we have years of experience in state government and lobbying in Harrisburg. We strive to provide strong, personalized client service in advocating for clients' Pennsylvania state government Pursuits.

Role Description

This is a full-time hybrid position in Harrisburg. As a state lobbyist, your responsibilities will include: advocating on behalf of multiple clients with state legislators, staff and administration decision makers; tracking and reviewing state legislation, continually updating clients, building relationships with stakeholders, and formulating strategies to achieve policy goals. You will also do research and detailed writing, draft written testimony and other detailed documents, and represent clients at hearings and meetings.

Qualifications

- Experience as a lobbyist or work in government affairs preferred
- Work experience in a state legislative or government setting
- Collaborate well with Pursuit team, clients and government decision makers
- Ability to build good relationships with diverse stakeholders
- Strong communication skills
- Attention to detail
- Exceptional organizational and multitasking abilities that require timely follow-up and task completion
- Prior experience working with lobbyists in state government is a plus
- Strong ethics and adherence to professional standards is a must
